Australia

Phone: Ashlee on 0421 451 931

Our Market will showcase local produce, artists, makers and vintage wares all made and grown in Latrobe City and the Baw Baw Region.

There isn't just a market, it's a mini festival with live music and kids activities all day, bring your picnic baskets and stay for the whole day or why not stay the weekend and use all the lovely cafes and camping sites that surround the area, take a walk up the majestic Mt Erica and have a delicious dinner at Cafe 1914 or The Erica Pub before coming to the Market on the Sunday!

Erica is a short 25 minute scenic drive from either Moe or Traralgon. This stunning little town is right on your back door step so why wouldn't you want to come up to buy your last minute Chrissy presents or just take in the fresh air.

So whether you're after a weekend away or just a Sunday drive with family and friends there's no better place to be this December than Erica Market in the Mountains.
