Primrose Fair's' Debut will be in the Spring of 2013. It will be hosted at Toorak College Mount Eliza. Our aim is to bring the feel of a 'European Fair' back home to the Mornington Peninsula. Primrose Fair will be held 4 times a year. Dates of market will be October 5th December 7th As we enter the 'blogosphere' of design, we will engage social media to promote both traders at the fair, from far and wide as well as organisations based locally. We endeavour to support & promote designers from a variety of categories including food & wine, baby clothes, fashion, jewellery and home wares. The inclusion of up and coming designers with just a splash of vintage will create a 'shopping paradise' for our ever growing and stylish pocket of paradise here on the Peninsula. We look forward to opening an envelope of style and exploring our passion for everything design related. Join our conversation and engage with everything Primrose Fair has to offer. Please contact us if you wish to find out more information about Primrose Fair.
